### **Synergistic Activities**

1. Co-organizer of the Tempeval task at the Semeval 2007 workshop. Main task was to create the annotated dataset for the task.
2. Reviewer for Language Resources and Evaluation.
3. Publications chair of the 11th Linguistic Annotation Workshop (LAW XI). LAW has provided a venue for researchers on annotation practices.
4. Reviewer for Artificial Intelligence
5. Reviewer for Natural Language Engineering

### **Certification:**

When the individual signs the certification on behalf of themselves, they are certifying that the information is current, accurate, and complete. This includes, but is not limited to, information related to domestic and foreign appointments and positions. Misrepresentations and/or omissions may be subject to prosecution and liability pursuant to, but not limited to, 18 U.S.C. §§ 287, 1001, 1031 and 31 U.S.C. §§ 3729-3733 and 3802.
